## About Next Generation Interiors, LLC

**Next Generation Interiors** is proud to be both a Minority Business Enterprise (MBE) and a Small Business Enterprise (SBE) providing commercial office furniture, interior finishes and installation services. We are located in New Jersey and have the experience needed to handle the largest projects safely, on time and on budget. Take a close look at Next Generation Interiors and you'll find a thriving, privately owned company with an enviable reputation in the industry. We are focused on representing the finest business furniture brands, delivering exceptional client service and expert project management. We have worked extensively with the New Jersey Veterans Affairs procurement department purchasers over the years and are eager to expand our business to include other divisions of the US government.
